Agency Survey Addendum: MENTORING PROGRAMS

Agency Name
Mentoring is a one-on-one relationship between a youth and a caring adult. Mentoring relationships help students to appreciate who they are while developing the skills they need to succeed. So that we are able to get a clear picture of the services that you provide, and the populations that you serve, please complete this form in addition to the Agency Survey form. Please read through all of the categories and indicate all that apply to your organization on a regular basis. This completed form will help us to make only the most appropriate referrals to your organization. Please attach additional flyers, pamphlets, and other documents as needed.
