

United Way Specific Care List

Today, nearly half a million children in the Greater Atlanta region live in communities with low child well-being. **Want to change that? Start here**...

▶ **Number 999, United Way's Child Well-Being Impact Fund!**

Many nonprofits are working hard to help our community, but alone, they don't have the resources to make the biggest impact. At United Way, we partner with donors, volunteers, advocates, governments, other nonprofit agencies and people like you who are committed to making our community the best it can be. Give to United Way's Child Well-Being Impact Fund (999) and you will make the biggest impact on your community.
