

MAXIMIZE YOUR SAVINGS AND SUPPORT OUR COMMUNITY

More than just savings on your taxes, these are all high-impact ways to demonstrate your commitment to the common good. Today, tomorrow and forever.

Make a gift from your Donor Advised Fund: Make a one-time gift or create a recurring monthly or quarterly gift - an easy way to show your commitment all year long. To make a gift from your DAF, simply recommend to your institution that a gift from your fund be made to United Way of Greater Atlanta's Child Well-Being Impact Fund.

Give a gift of stock: Transferring appreciated stocks allows you to avoid paying capital gains tax and deduct the full amount of your stock from your tax return. Transferring stock is a powerful gift to provide immediate funds to United Way of Greater Atlanta. Transfer stock now.

Give a gift for later (free today!): You can support United Way of Greater Atlanta forever without paying anything today using our free will-writing tool. A legacy can ensure we can improve lives in our community for generations to come. Write your will and include United Way of Greater Atlanta today.

Give from your IRA: If you're 70.5 or older and have a traditional IRA, you're eligible to make a tax-free gift known as a QCD (Qualified Charitable Donation), regardless of if you itemize deductions. FreeWill's new tool makes the process easier than ever to complete. Make a QCD today.
