

United Way Pledge Designation Form

Today, nearly half a million children in the Greater Atlanta region live in communities with low child well-being.

Want to change that? Start here.

Check this box to give to United Way's Child Well-Being Impact Fund. You'll make a bigger impact on your community.

Many nonprofits are working hard to help our community, but alone, they don't have the resources to make the biggest impact. At United Way, we partner with donors, volunteers, advocates, governments, other nonprofit agencies and people like you who are committed to making our community the best it can be. When you donate to our Child Well-Being Impact Fund, you're stretching your dollars further to put our community's children on a path to success. Sure, you can designate to another nonprofit agency, but don't you want to make the biggest impact? Donate to the Child Well-Being Impact Fund today!
