Expanded Food & Nutrition Education Program Dietary Services

DESCRIPTION: This is a federally funded program conducted by the Cooperative Extension program in each state. The program helps parents learn how to feed their children healthier meals and snacks, save money on food, and reduce the risk of food-borne illness. It provides hands-on activities and participants receive a certificate after the completion. They also offer a Mobile Farmer's Market (check

DESCRIPTION: Site 2: This agency provides acute medical services.
Site 3: This agency provides acute medical services.
Site 5: This agency provides acute medical services.
Site 6: This agency provides acute medical services.
Site 7: This agency provides acute medical services.
Site 8: This agency is dedicated to the treatment of advanced HIV/AIDS patients. The Ponce Center integrates primary internal medicine and Infectious Disease subspecialty care in the Main, Family and Transition Clinics.
Site 9: Grady’s Walk-In Center offers extended hours and limited on-site lab and imaging services to appropriately diagnose, treat, and manage acute medical conditions and minor traumas when the primary care physician is unavailable and when you don’t need emergency medical care. Since they do not accept appointments, the wait will depend on the number of patients ahead of you and the severity of their injuries or illnesses.
Other Sites: Grady’s Health Centers provide everything from routine check-ups to family planning, diabetes screenings, cholesterol checks, stress management, nutrition counseling, vaccinations, glaucoma screenings, back-to-school physicals, blood pressure readings and much more for men, women and

-continued-
children of all ages. Some centers offer pharmacy services, where prescriptions are filled, as well as interpreter services. Referrals to specialist will be provided if the doctor feels a patient needs one.
